

DEMOCRATS HOLD THREE MEETINGS

Speakers Heard in Three Different Parts of County—Deahl, MacKibbin and Steis Make Addresses.

Enthusiastic democratic meetings were held in three different parts of St. Joseph county last night, liberal crowds greeting all the speakers. Democratic county candidates for office and Floyd Deahl address a meeting held at the Oliver school. Mr. Deahl discussed national and state issues, showing what work had been done by the democratic administration under Wilson and Ralston.

Stuart MacKibbin spoke at the rally held at Lakeville. The hall in which the meeting was held was well filled with voters and commendation of the Wilson administration was applauded frequently by the audience. Henry A. Steis spoke at the Olive township school building. A number of farmers and others attended this meeting. Principles of the democratic party and its work in addition to the nature of county and state tickets being supported by the party were discussed by the speakers.

Vice President Thomas R. Marshall will be the principal speaker at the second big democratic rally in South Bend to be held Friday night at the Oliver opera house. Expectations are that the former Indiana governor will be greeted by as large a crowd as that which attended the Shively-Barnhart meeting Wednesday night, when the theater was packed.

AVIATOR SHOT DOWN FOE IN THE CLOUDS

LOUIS PAULHAN.

PARIS.—No more thrilling story has come from the front than that concerning Louis Paulhan, the famous aviator, now serving in the army with the rank of lieutenant. Paulhan with his mechanic was flying over the German lines at a height of 8,000 feet when he suddenly noticed a German aeroplane dart out of the clouds. The mechanic loaded the small mitrailleuse carried on the machine and Paulhan carefully guided his aeroplane down to the level of the German flying craft. When 200 yards away the mitrailleuse was fired and the German dropped, but not before he had lodged a bullet in the gasoline tank of the French machine. It was only by a miracle that Paulhan was able to volplane behind the French batteries to safety.

WALTER G. MIESSE
Walter G. Miesse, of Stoutville, Ohio, considers himself one of the luckiest men living. He is enjoying good health once more and gives all credit to Nature's Creation, for making him well and strong after he appeared doomed to die.

"In September, 1906," he writes, "I had a very severe attack of typhoid fever. After the fever left me, it settled in my right breast and turned to tuberculosis of the bones. Several physicians told me I had to be operated on, so I had two operations performed here in Lima. It went on for a year and then I went to the Grant Hospital, Columbus, where I had two more operations. I had the lower part of the breast taken away and parts of three ribs. I heard of Nature's Creation and began the treatment at once. To-day I feel fine and my side is all healed."

On April 7, 1914, Mr. Miesse wrote: "I am just feeling fine. I work every day. All credit is due Nature's Creation for the wonderful relief it gave Mr. Miesse. This remedy is bringing happiness to thousands of homes and producing remarkable results in cases of tuberculosis and the conditions leading to it such as asthma, bronchitis, catarrh, impure blood and rundown system. If you or any of your friends suffer from any of these troubles, send to-day for our valuable booklet, 'Truth,' which contains photos and testimonials from local patients. No charge. L. Dayman, 41, State Life Bldg., Indianapolis, Ind."

RESINOL CURED AWFUL ITCHING IN ONE NIGHT

New York.—"The skin on my hand got red and rough. It itched and I began to scratch it. It itched so that sometimes I could not sleep all night. I was suffering very much. I used—salve and—, but they did not seem to help me. This went on for six or seven months. Then I tried Resinol Ointment and Resinol Soap. I used them one night. In the morning, to my surprise, my hand was all well and the trouble has never returned. This is the absolute truth!"—(Signed) Miss Celia Kleinman, 61 Columbia St., April 28.

Nothing we can say of Resinol equals what others, such as Miss Kleinman, say of it. It does its work quickly, easily and at little cost. If you are suffering from itching, burning skin troubles, pimples, dandruff, ulcers, boils, stubborn sores, or piles, try Resinol Ointment and Resinol Soap. Sold by all druggists. Advt.

OBJECTS TO GRANTING RENEWAL OF LICENSE

William L. Kuzminski filed a remonstrance with the county commissioners Thursday against the granting of a renewal of liquor license to Frank Rosinski. The remonstrator alleges that Rosinski is an agent for the Kamm & Schellinger Brewing Co. and that he is not the actual owner of the property used in conducting the saloon. It is also stated that the petitioner for renewal of license is an unfit person to be in charge of a saloon.
